Author's Notes:
This is a random fluff I thought up awhile ago. Enjoy!

Paul had seen Ace fall over multiple times in their new boots, yet he hadn't ever fallen himself.

This night however, he took a tumble of his own.

Everything was great, they were rocking out, Paul whipping his hair around crazily and then...SNAP!

His ankle had twisted to one side, causing him to stumble.

He felt himself losing balance when suddenly something stopped him.

He glanced up and saw that Gene had moved over and nonchalantly held him up.

Paul looked up and thanked his bandmate with his eyes.

He'd repay him later, he decided, smiling to himself distantly.
